A Pinkalicious Picnic!

Pinkalicious loves to have picnics with her friends! She loves to host tea parties with cake and snacks. Below is a picture of Pinkalicious enjoying a picnic. Who do you think Pinkalicious is having a picnic with? Use your imagination to draw in her picnic guests. Finish the scene by drawing the location they are in today. Do you think they're in the woods, on a beach, or is there a rainbow in the sky?
